
Hi

Posted by herdboy - 2007/09/23 19:53

Hi,
Can't wait for the launch.

Regards
Mustaq

Ps: Have the admins disabled profile setups or is it just me ?

Hi herdboy,

You asked about Profiles being inactive.

Once you are logged in and you see your Members Menu, click "My Site Details" then ontop of the image you will see "Edit" button, just select "Update Profile". Be sure to include your paypal email.

Cheers
Paul
